

LEVEL 2 ELECTRICIAN NORTHERN BEACHES

ELECTRIC EXPRESS SOLUTIONS

WHAT IS A LEVEL 2 ELECTRICIAN?

A level 2 electrician in Northern Beaches is a technically qualified and practiced electrical professional who has the authorisation to perform complex electrical jobs. They are accredited professionals who can carry out technical electrical installations, repairs, and maintenance jobs. They are properly accredited to work on underground and overhead wirings that run between the supply network and a customer's property. A level 2 electrician is responsible for installing electric meters. Moreover, they are also authorised to carry out severing and connecting services for businesses and homes to the electrical network. At Electric Express, we are proud to be a team of professional level 2 electricians in Northern Beaches.
