# ELECTRICIAN WITH A PHENOMENAL REPUTATION IN ADELAIDE HILLS

Do you have an electrical fault in your Adelaide Hills premises? Are you looking for a skilled electrician that you can trust? Well, look no further. iElectrical is a family-run electrical service that specialises in providing quality services for residential and commercial clients.

We have been in the industry for a combined 50 years; therefore, you can trust our team for any electrical service, regardless of how small or big it may be. Apart from being professional, our technicians are known for being friendly to our clients. We prioritise customer service, which forms the backbone of our success.

Whatever your electrical needs may be, whether it's a simple electrical appliance installation or a complex commercial fit-out, call our experts, and we will be quick to assist you. Our team cannot wait to hear from you.

# OUR ELECTRICAL SERVICES PROCESS IN ADELAIDE HILLS

We understand that during an emergency, an electrical installation, or maintenance, clients need an electrician in Adelaide Hills to deal with the problem as soon as possible. For this reason, we offer a straightforward process since we don't want to disrupt your regular routines.

Upon contact, our team will come on-site to examine the job, provide on-site consultation and a free quotation. Before we commence any project, our team will explain everything in the quote to avoid surprises. After you accept the quote, we'll get down to work and strive to finish within the scheduled time.

We will always keep you updated throughout the project and ensure that we notify you if you need any extra services.

# WHY SHOULD YOU CALL AN ELECTRICIAN FOR RESIDENTIAL SERVICES IN ADELAIDE HILLS?

Our electricians in Adelaide Hills believe that a minor electrical fault can cause a fire outbreak and damage to property. Therefore, calling a qualified technician to examine installations, carry out repairs, and maintain your electrical system ensures that you and your family are safe. It also reduces extra costs, especially on your monthly bills.

When you call our electricians, we'll help you deal with:

- **Selecting the right products**

Durable products and technology within your home ensures your safety and savings on replacement costs. Our team will analyse your electrical needs and help you pick the best products to suit your budget and needs.

- **House upgrades and extensions**

Whether you need an extra switchboard or an energy-efficient electrical system, call us. Also, we will fully fit your new build or extension at the most competitive rates.

- **Property management**

For quick and stress-free management of your electrical system, you can count on us. We are always ready to come to your location when issues arise in your home.
