# Premium Quality Blinds in Mittagong

Trust Highlands Blinds, Shutters & Awnings for quality blinds in Mittagong. Blinds are window coverings made of rigid slats that can be adjusted to control the amount of light entering a room. We are a family run business, selling and installing exceptional blinds, shutters, and awnings at reasonable prices. More than 30 years of professional experience in the industry enables us to provide our customers with the most incredible customer service and satisfaction.

Our friendly and skilled staff will guide you through the entire process, from price to supply and installation. Our goods are made from high-quality materials, allowing them to survive harsh Australian weather conditions. Our options include manual, powered, and automated home systems. We guarantee that our blinds are cost-effective and easy to use. We understand that every customer has unique needs, so we offer a range of colour options.

# Impressive Aura Shades Range of Blinds in Mittagong

Our Mittagong team can help you choose the perfect blinds for your home. The Aura Shades range has two versatile shading solutions; 3D and Dual Shade. While 3D Shades operate similarly to regular roller blinds, they appear like sheer Venetians. They may be tilted or piled upwards to meet lighting and privacy needs. Without entirely darkening the space, this cutting-edge translucent fabric gives any home a pleasant glow, soft vision, UV protection, and privacy control.

Dual Shades blinds have two fabric screens that overlap and can be adjusted to control lighting and privacy. With the solid and transparent panels crossing, you can either expose a view through the transparent sections or close the strips for complete privacy. Dual Shades are also known as Zebra Shades.

With a short lead time of 2-3 weeks and a two-year limited warranty, Aura shades feature cohesive, effective, and reliable componentry systems. These high-quality fabrics are less susceptible to fraying.
