Wow, HSO has been the highest converting affiliate offer that we've promoted to our women's dating/relationships lists in the last 2 years! Upsells are taken up very highly also. EPCs are over \$1.50 which is phenomenal these days.

Highly recommended!

Guys, I did an early offer of [His Secret Obsession] as well and happy to say that it did over 1.59 EPC to my list...

Upsells were fantastic at 78% of initial sales.

Highly recommended!

I have read the entire program. Last night I decided I had nothing to lose and texted him the 12-word magic text. He replied this morning apologizing for missing my text last night. I replied using "Rachel's" template. It was almost the exact word for word exchange.

I was completely stunned! We finally connected this evening and talked for 40 minutes on the phone. He didn't declare his love for me but we haven't spoken since the night we broke up in March! He sounded relaxed and happy. I have no idea what will happen from here but it's definitely a "foot in the door".

I'm truly grateful for your program. It makes so much sense! Thank you!!

Hi James,

I just wanted to let you know, I used your tip about getting his curiosity going (I told him I learned something about Dumbledore that he would never believe!) and it worked so well! He texted me right back and I asked if he could guess, and we ended up with this great ongoing text with him very curious about what the answer is, and me telling him how what great guesses he was making!

Thank you!

Ann

Your His Secret Obsession course is AMAZING – one afternoon of solid listening, I've put it into practice and the effects are phenomenal! You truly have saved our relationship and, while it is only a week later, we are already going from strength to strength. And we both see a wonderful future ahead of us. From the bottom of my heart, thank you.

Best investment ever!!!
