Neckline

Your dress's neckline will also determine the sort of necklace you should wear. A choker or little necklace looks great with a strapless dress. If your dress has a high neckline, you may choose to omit the necklace and instead wear dramatic earrings.

Hairstyle

Your hairstyle will also impact the type of jewelry you choose. If you're wearing your hair up, statement earrings or a tiara can add a touch of elegance. If you're wearing your hair down, a delicate necklace or hairpins can complement your look beautifully.

Earrings

Luxury earrings are also a crucial component of bridal jewelry. Whether you favor studs, hoops, or chandelier earrings, select a style that harmonizes with your hairstyle and face shape. If you're wearing a simple dress, consider bold, statement earrings to infuse some drama into your appearance.

Bracelets

Bracelets are a subtle way to add some sparkle to your bridal ensemble. Whether you choose a delicate bangle or a bold cuff, a bracelet can add a touch of glamour to your wrist. Consider the style of your dress and other jewelry when choosing a bracelet, and opt for a style that complements your overall look.
