Here is all about these trekking destinations.

Everest Base Camp Trek with Nepal Trekking Agency

Everest Base Camp Trek is popular trekking routes among the trekkers. Trekking on this route offers a close-up view of the mighty Mount Everest. Trekkers have to fly from Kathmandu airport to Lukla to start this journey. On their way, they can witness the mesmerizing view of lush jungle, Sherpa villages, along with various snow-capped mountains. During the trek, the trekkers will view some of the world's most iconic and highest peaks, like Ama Dablam, Nuptse and Lhotse. They also get the hospitality of the Sherpa people on the way to the Everest base camp.

Annapurna Base Camp Trek

For people who want a shorter trekking experience, the Annapurna base camp trek is perfect for them. It offers an unmissable experience that will remain as a memory for one's entire life. During the trek, trekkers can get the firsthand experience of Annapurna Sanctuary, which is known as the natural kaleidoscope with stunning views surrounded by towering peaks. This trek starts from the small but picturesque town of Pokhara, and you have to pass through the lush forests, various terraced rice fields and a couple of conventional villages, including Gurung and Magar. Trekkers have to prove their nerves of steel to reach their destination.

Throughout the trekking, you can view famous peaks like Machapuchare, Annapurna South, and Hiunchuli, along with other peaks. During the trekking, you can witness the best views of nature while interacting with the locals. The Annapurna base camp trek mainly takes seven to ten days, and this trek is suitable for both beginners and seasoned trekkers.

Annapurna Circuit Trek

People who want to pump more adrenaline into their blood love the more challenging trekking like Annapurna Circuit Trek. This trekking offers a fusion of natural beauty, rich cultural immersion, and adventure. This trek ends right at Annapurna massif, and one can get various experiences from different ranges of landscapes, including lush subtropical forests and arid high-altitude plateaus.

Annapurna Circuit Trek starts from the outstanding city of Pokhara and goes through Thakali and Gurung villages. It offers chance to interact with the villagers and know their lifestyle in this tough terrain region. Trekkers have to cross Thorong La Pass and it is located at an elevation of 5,416 meters from sea level. While crossing this pass, trekkers can witness the breathtaking view of the Annapurna and Dhaulagiri mountain ranges.

If you are an avid trekker, then Annapurna Base Camp, Annapurna Circuit, and Everest Base Camp treks are the best to experience.
