FEATURES

SAVE COSTS, POWERFUL FEATURES
Eliminate the high costs and maintenance of legacy point of sale systems with an affordable and feature rich all-in-one handheld.

REAL-TIME MENUSYNC™
Syncs with real-time menu changes and updates across the dashboard and point of sale. Timed menus show up automatically thereby increasing efficiency.

FREEDOM OF PAYMENT OPTIONS
Makes the guests experience powerful by enabling custom choices and ability to pick ingredients, sides and more right from the handheld. Powerful enough to accept payment through tap, swipe or dip and send or print digital and paper receipts.

TABLE MANAGEMENT
Take orders on the handheld at the table. Help get guests' orders quickly and improve their experience. Reduce table turn times, increase efficiency and profitability.

POWERFUL COMPATIBILITY
Compatible with eatOS's all-in-one eco-system including point-of-sale, kitchen display system, receipt printers, cash drawers and more. Making it easy to use and manage for restaurants of all sizes.

> The eatOS all-in-one POP™ is more powerful than a traditional point-of-sale device with the versatility of a smartphone. Everything you need for a handheld POS, and more.
