Sun Dominance Businesses

The Sun, representing authority and status, governs businesses linked to gold, raw food grains, plants, medicine, export-import, administrative firms, and government-affiliated sectors.

Tips to Strengthen the Sun:

1. Consume only Satvik food on Sundays and avoid salt entirely for the day.
2. Keep your business premises and workspace meticulously clean, ensuring no clutter or unused items accumulate.
3. Incorporate sunlight into your workspace to honor the Sun's energy.

By following these tips, you can appease the Sun, bringing positive outcomes for your Sun-related business.

Moon Dominance Businesses

The Moon symbolizes emotions, care, and nourishment, making it influential in businesses dealing with liquid products such as water, milk, and soft drinks. Silver trading, travel, garments, farming, and seasonal businesses are also governed by the Moon.

Tips to Strengthen the Moon:

- Show respect to your mother and all female family members.
- Fast on Purnima (the full moon day) to strengthen the Moon's influence.
- Gift your mother or mother-like figures regularly to keep the Moon energy strong and balanced.

By nurturing positive relationships with family, particularly maternal figures, you align with the Moon's nurturing nature, enhancing success in Moon-dominated businesses.

Mars Dominance Businesses

Mars rules courage, action, and energy. This planet governs industries such as land dealing, real estate, construction, restaurants, gyms, and the medical field.

Tips to Strengthen Mars:

1. Fast on Tuesdays and full moon days.
2. Worship Lord Hanuman, known for his strength and valor.
3. Donate sweets to those who work for you and support younger siblings.

These practices align with Mars' fiery and proactive nature, enhancing growth and progress in Mars-related fields.

Mercury Dominance Businesses

Mercury, the planet of communication and intellect, rules domains like teaching, publishing, book printing, languages, telecommunication, and technology.

Tips to Strengthen Mercury:

1. Donate green items like vegetables, fruits, green legumes, or green clothing to those in need.
2. Build and maintain balanced relationships with relatives and coworkers.

Jupiter Dominance Businesses

Jupiter, the planet of wisdom and abundance, governs fields like education, food products, banking, financing, publishing, religious items, and hospitality.

Tips to Strengthen Jupiter:

1. Visit the Lakshmi-Narayan temple on Thursdays to receive blessings from Jupiter.
2. Offer sweets to others and donate yellow items such as food or clothing to the less fortunate.
3. Show respect to elders and mentors to align with Jupiter's wisdom.

By fostering knowledge and sharing resources generously, you enhance Jupiter's positive energy for success in Jupiter-ruled businesses.
