

Evie Jeang

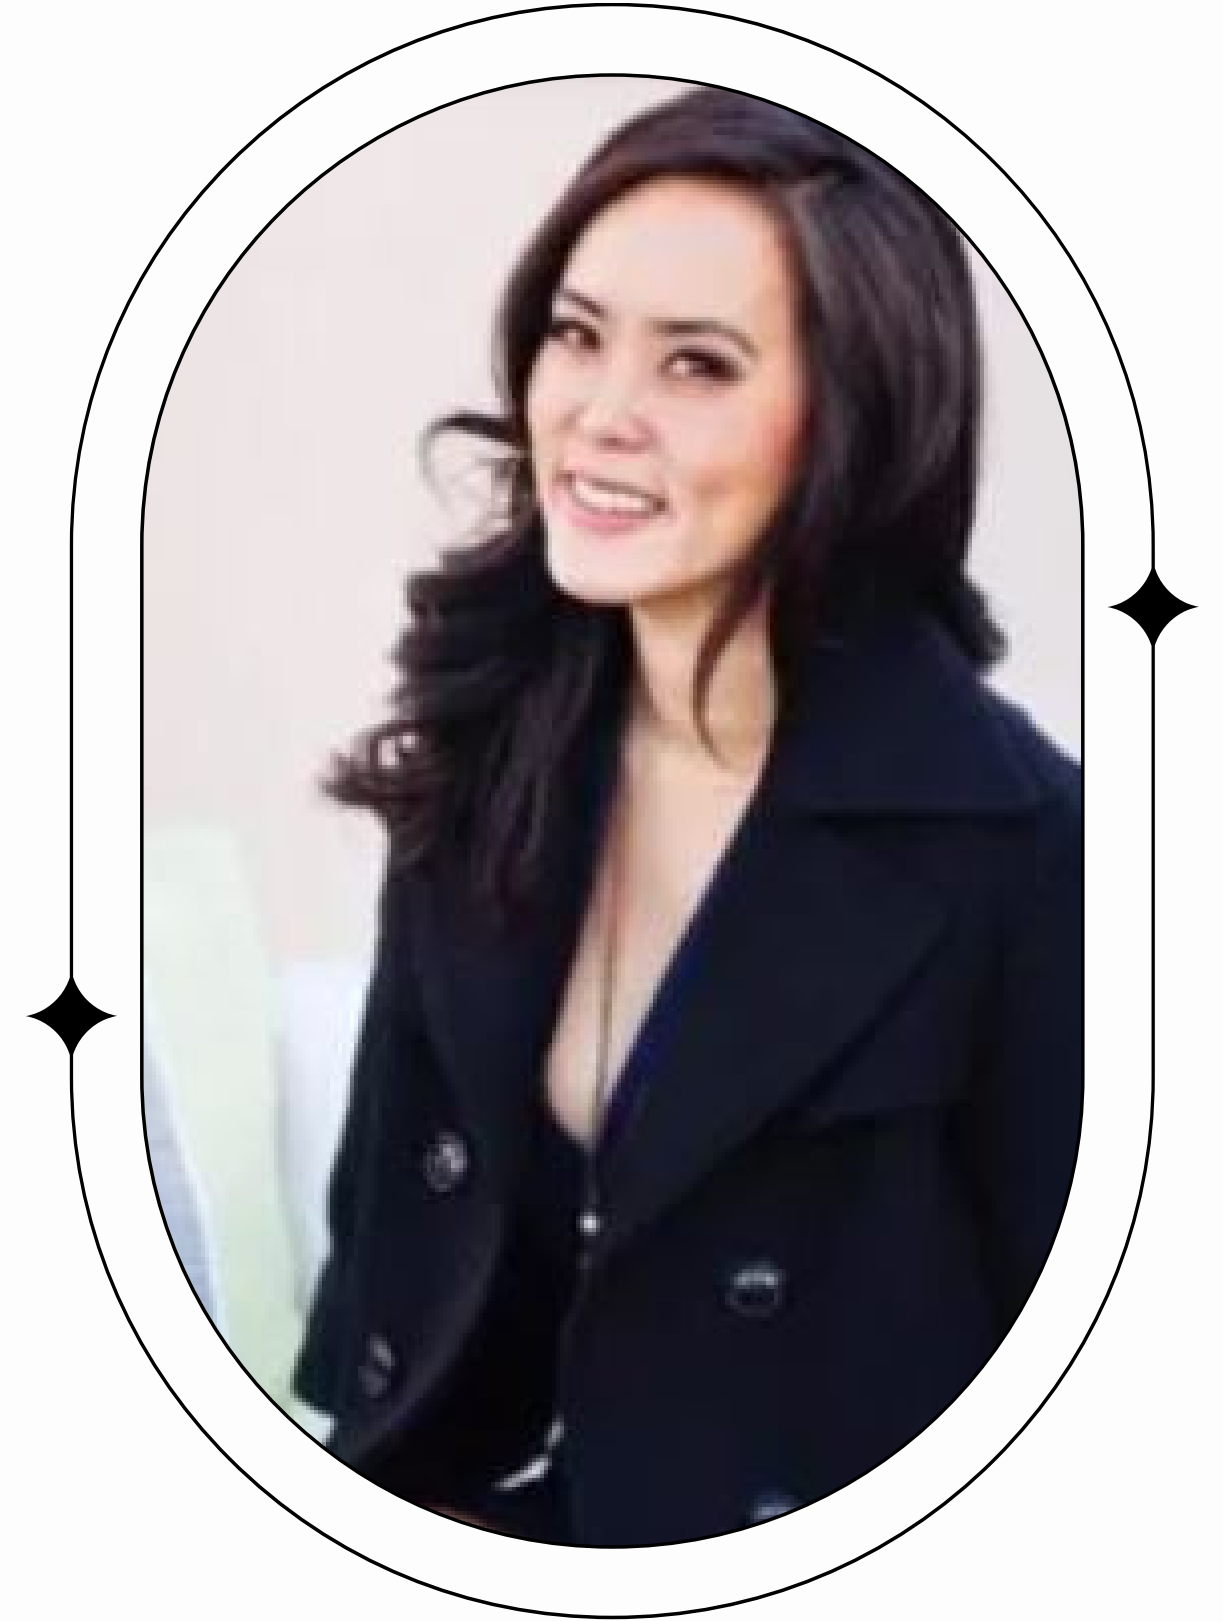

Insights into Career and
Education

Introduction

About Evie Jeang

Evie Jeang is a dedicated professional known for her accomplishments in law and business. With a passion for education and empowering others, she has made significant contributions in her field. Evie is the founder of a successful family law firm and actively advocates for women's rights. Her journey reflects resilience, innovation, and a commitment to making a positive impact.

Education

Evie Jeang holds a **Bachelor's degree from the University of California, Los Angeles (UCLA), and earned her Juris Doctor (JD) from Southwestern Law School.** Her educational journey reflects her dedication to academic excellence and her passion for law. Through her studies, she gained the foundation to become a successful attorney and advocate in her field.

Work Experience

Evie Jeang is the founder of Surrogacy Concierge and Ideal Legal Group, bringing over 15 years of experience in family law, surrogacy, and estate planning. She is dedicated to guiding families through surrogacy journeys with compassion and expertise, while also advocating for diversity and inclusion in the legal and business worlds.

Professional Projects

Evie Jeang has worked on many important projects, including starting Surrogacy Concierge to help families with the surrogacy process. She also founded Ideal Legal Group, a law firm focusing on family law and estate planning. Her work is centered on supporting families and promoting diversity and inclusion.

Vision

Evie Jeang's vision is to empower families by providing compassionate legal support and promoting inclusivity. She aims to create a world where everyone has access to the resources they need to navigate their legal journeys confidently, while advocating for diversity and underrepresented communities.
