Why Hire Us?

1

Oracle Licensing Expertise

Founded and led by the leading Oracle license expert and a former VP of Oracle Corporation.

3

Client Confidentiality

License deployment and compliance are sensitive matters. We do not advertise customer names in any of our marketing collateral.

2

No Conflict of Interest

We are neither a partner of Oracle nor a re-seller of their licenses.

4

Track Record

We have worked with 240+ companies saving them between 30% – 100% of license exposures.

by Rythium Technologies

Our Customers Goals

Mitigation of license compliance risks

Reduction in license and support costs

Flexibility in long term software contracts

Optimized license deployment

A person is holding a tablet computer. The screen of the tablet displays several columns of text, which appears to be code or a list of items. The person's hand is visible at the bottom of the tablet.
