What Is a Consumption Lounge?

A consumption lounge is a legal, social space for enjoying cannabis or infused products in a safe environment. These lounges focus on fostering community, relaxation, and creativity. In Detroit, they're becoming popular hubs for wellness and connection.

● ● ● Join Craft Club: Where Wellness and Consumption Lounge Culture Unite

At Join Craft Club, we've transformed the traditional consumption lounge experience by integrating holistic wellness, artisanal products, and a strong emphasis on community engagement.
