Our entire experience was great. Doug was extremely careful in doing the measurements for our shower glass. He also was very particular installing the glass and taking time to make sure everything was perfect. I highly recommend Doug and his company and will use them for any future glass projects.

Doug was great. He's extremely detailed in his work. Will definitely use him again when I'm ready to upgrade the other shower door. Highly recommend!

Doug was amazing with our major window issues. He was prompt and professional and very communicative. He helped alleviate a lot of stress and has been our go to ever since. I have to say not only is the quality top notch but his pricing was the most reasonable in town! Would recommend him 10x over!!

I had an emergency door that needed a new glass and Doug was very responsive and quick to come out and help during this time. I'm hoping I don't need to give him a call but in case of an incident I know I can count on him. Thank you once again!
