We are a repeat customer, they installed turf at our old house years ago and we were so impressed with their professionalism and quality of work. Our new yard looks incredible, especially with the putting green! I have no excuse to 2-putt any hole moving forward 😊

This company was great to work with. Darryl came over and immediately envisioned what we are wanting. He did not go for a hard sell and made us feel at ease explaining the process and expectations in detail. We recommended them to our neighbors and they will be installing their turf next week. Awesome team.
