QATAR AIRWAYS

📞 +1-888-396-2695

Doha Hamad International Airport serves as the home base for the national carrier of Qatar, Qatar Airways. It is also one of the first airlines in the Middle East, established in 1993, and is a member of OneWorld. Qatar Airways is titled 'World's Best Airline', 'World's Best Business Class', 'World's Best Business Class Airline Lounge', 'World's Best Airline Website', and 'Best Airline in the Middle East'.

Qatar Airways' fleet of flights operates in more than 170 locations throughout the globe. It's pretty easy to book your [Qatar Airways flight tickets](#) from their website or app. However, you can use a platform like Orgmytrip for it too.

Information About Qatar Airways

Qatar Airways offers three classes First Class, Economy Class, and Business Class. There are five Boeing and six Airbus models in Qatar Airways' fleet. The models are the following: Boeing 737-8 MAX, Boeing 787-8, Boeing 787-9, Boeing 777-200LR, and Boeing 777-300ER; A320-200, A330-200, A330-300, A350-900, A350-1000, and A380. Here's the seating capacity of each aircraft in their fleet:

Aircraft	Seating Capacity
A320-200	132 and 144
A330-200	260
A330-300	305

Contact Orgmytrip for expert guidance and comprehensive support in finding the best Qatar Airways flights.

Insights About Qatar Airways

Here are a few insights about Qatar Airways you need to know:

Qatar Airways Baggage Allowance

- Qatar Airways baggage allowance varies from 20 to 35 kg with one hand baggage, 7 kg each to/from all destinations if you travel in Economy Class flights
- However, economy class flights offer a baggage allowance of 1 to 2 bags, 23 kg each, if you travel to/from Africa or America.
- Qatar Airways baggage allowance is 40 kg with two handbags, 15 kg each, for business class flights to/from all destinations.
- Business Class flights to/from Africa or America allow two bags, 32 kg each.
- The baggage allowance for first-class flights of Qatar Airways is 50 kg to/from all destinations.
- First Class flights to/from Africa or America allow two bags, 32 kg each, and two handbags of 15 kg.

Qatar Airways Check-In Process

- The Qatar Airways flight check-in procedure allows you to check in via their app and self-service stations
- Qatar Airways' online check-in process also allows you to add your digital boarding pass to your wallet via the app.
- Use the self-service check-in kiosks and automated baggage drop when you travel from certain airports.
- The Qatar Airways app allows you to add a label to your bags from anywhere with a digitized label by creating a baggage label.

Do's And Don'ts In Qatar Airways

- Animals can travel as checked baggage or cargo, depending on the route, destination, animal, and aircraft size.
- Pets like cats, dogs, and birds can fly as checked baggage on most routes if they meet the weight and size guidelines.
- The Qatar Airways app gives you the comfort of tracking your journey, receiving alerts about any trip changes, checking your Avios balance, selecting all your meal preferences, and much more at your convenience.
- This airline does not accept animals from flights operated by other airlines, but animals travelling on it can connect to other airlines.
- Infants with ages more than 8 days and under 2 years can travel on a parent's lap at an infant fare.
- The second infant must be at least a year old and be able to sit on a separate seat or car seat if you travel alone with two infants.
- There needs to be an adult who is at least 16 years old for every infant who will be carried on a lap when you travel with two or more infants younger than 1 year old.

Insights About Booking Qatar Airways

- It's possible to check the Qatar Airways flight status online or via their app or website.
- Qatar Airways seat selection process is pretty easy, though, and can be done via their website and app.
- You can always upgrade from economy to business class on a Qatar Airways flight if you have Avios from all the flights you have taken before.
- The shortest flight operated by Qatar Airways travels from Dubai to Doha. This non-stop flight takes 1 hour and 10 minutes approximately.
- Qatar Airways can fly you to 55+ Asian destinations, 70+ European destinations, 40+ African destinations, 25+ Middle Eastern destinations, and 40+ American destinations.

Lounges of Qatar Airways

Qatar Airways gives access to the following kinds of lounges:

Al Safwa First Lounge

Al Safwa's first lounge features a restaurant that comfortably fits 250 people and offers international and Arabic delicacies. Their state-of-the-art facilities, high-end shopping experience, and world-class hospitality add to the experience.

Al Mourjan Business Lounge

Its striking design has a modern flair and a timeless appeal. It offers an array of international delicacies, and its resort areas offer a selection of food and beverages. Their à la carte dining experience also offers hot and cold buffet selections.

The business lounge has conference rooms, a well-appointed business center, a quieter working space, and two private workstations. You'll find private family areas with widescreen TVs and leather couches so children can enjoy the nursery.

Al Maha Lounge

It's pretty easy to get access to the Al Maha lounges online or at the reception of the lounge. It's also possible to get access to the lounges if you have booked an Al Maha service or hold any lounge program cards like Dragon Pass, Mastercard Travel Pass, and Visa Airport Companion.

They offer unmatched comfort, high-speed Wi-Fi, and dedicated immigration counters inside the lounge. The lounge also has a memorable dining experience, a smooth check-in, and a serene space.

Platinum And Gold Lounge

Platinum and Gold lounges offer à la carte dishes to international buffets with a wide range of beverages and cater to all appetites. It has comfort, spaciousness, thoughtfully designed nurseries for children, sleek business workstations, and runway views, so you can relax in your private sanctuary and secluded retreat.

Silver Lounge

Silver Lounge has a chic and open dining area with meeting rooms that keep on top of things, shower facilities to freshen up, specially designed family areas, and quiet areas to relax. Their curated selection of international cuisine and cold and hot beverages is available at any time. They have exclusive amenities that'll help you relax in the lounge.

Tips To Book A Qatar Airways Flight

It's easy to find a Qatar Airways promotion code on their website while you book a first-class, economy-class, or business-class Qatar Airways flight ticket. However, you can also trust portals like Orgmytrip to get the best flight deals. Here are a few other tips that you need to remember while you book Qatar Airways flights:

Try Using The Airline Filter

Using promotion codes and portals like Orgmytrip is great for finding the best deals. However, the portals allow you to compare all rates and costs of the flights. Try the airline filter for Qatar Airways and check the flight availability.

Consider Changing Locations of Departure

Check ticket costs from various locations to find the best possible deal for your travel, as Qatar Airways operates in 170 countries. It will ensure that the flights you book are the ones that fit your budget.

Use Avios From Qatar Airways

Qatar Airways also offers miles in the form of Avios, like most global airlines. Use these Avios to book flights to head to the destination you want. Plus, once you earn Avios, they never expire if you manage to collect, spend, buy, or gift at least 1 Avios every 3 years.

Check Flights On Various Dates

Have a flexible travel schedule and be open to the possibility of moving it. It makes sense to consider the option if you get the Qatar Airways flight tickets at better rates. The better way is to first head to platforms like [Orgmytrip](#), compare the costs, and then book your flights.

Toggle On The "Price Alert"

Price alerts are a great way to get the best Qatar Airways flight tickets. It ensures that you do not overspend and also get the best possible deals. The ticket prices keep fluctuating, and booking when the time is right can make all the difference.

Conclusion

Qatar Airways offers various classes to travel and is recognized for the service quality and comfort they offer. This airline flies to over 170 destinations worldwide, so check multiple destinations closer to your home to get the best possible deal.

You can redeem the Avios you earned to book your next flights if you travel frequently by Qatar Airways. Also, let's not forget that you can travel to some places and get a chance to opt for a Class upgrade from Economy to Business Class. Just make sure the baggage allowance for First Class, Business Class, or Economy Class meets the requirements mentioned by the airline.
