

## Welcome to Immaculate Tree Felling

We handle all tree felling and removals, including root and branch removal or removal of and entire tree.

We also undertake tree trimming, which will help to maintain the tree shape and appearance while trimming broken or dead branches will reduce any potential risks they may impose. We handle all tree felling and removals, including root and branch removal or removal of and entire tree.

## **Why Hire a Tree feller?**

A professional tree feller will typically assist with tree pruning, cutting off dead or infected parts of the trees, as well as identifying and clearing roots that could be interfering with your home's foundation.

Tree felling companies will be able to help you with the following: Tree felling – Trim and cut felled trees – Tree stump removals – Inspect branches and trees for health – Site clearing – Pruning and trimming.
