

PETTIK PET VACCINATION SERVICES

WELCOME TO PETTIK YOUR TRUSTED PET CARE PARTNER

Pettik delivers comprehensive pet care in Delhi & Noida, specializing in boarding, grooming, training, walking, and vaccinations. Committed to your pet's health and happiness, they offer a complete suite of services for your furry friend's well-being

INTRODUCTION

UNDERSTANDING DOG VACCINATION

- Vaccinations protect dogs from serious diseases
- Essential for puppies and adult dogs
- Part of responsible pet ownership

WHY VACCINATION IS NECESSARY?

IMPORTANCE OF VACCINATING YOUR PET

Vaccination is vital, preventing serious diseases like rabies, distemper, and parvovirus in pets. This safeguards not only your animal's health but also contributes to public health and safety by curbing disease spread.

OUR VACCINATION SERVICES
