ABOUT US

Paper Link Paper Converting Industry is one of the prominent tissue paper manufacturers and exporters in UAE. Our custom-built production facility aims at satisfying the unique needs of our varied customers. We offer customized design and production of a wide range of household and away-from-house tissue products including facial tissues, maxi rolls, toilet rolls, fold tissues, t-tork tissues, table napkins, auto cut rolls, interfold tissues and hospital bedrolls. At Paper Link, we always pursue perfection in delivering high quality, manufacturing safe and moisture absorbing tissues. We have an integrated state-of-art paper converting with highly sophisticated machines which can produce 200 metric tons per month. Being focused on quality, we use only 100% virgin pulp for manufacturing our products.
