Why Is Degree Certificate Attestation Important?

Degree certificate attestation is mandatory for anyone applying for:

- Employment visa in the UAE
- Higher education admission in UAE universities
- Family or residence visa
- Equivalency certificates for professional licensing

Without proper attestation, your degree may not be accepted by UAE government departments, educational institutions, or employers.

How SGIVS Global Simplifies the Process

SGIVS Global is a trusted name in the field of **attestation services in the UAE**. We handle the entire attestation process, ensuring that your documents are processed correctly, securely, and without delays.

Our Services Include:

- Collection and submission of your original documents
- Notary verification from the country of origin
- Attestation from the UAE Embassy in the respective country
- Attestation from the Ministry of Foreign Affairs (MOFA) UAE
- Timely updates and complete document tracking

We serve both individuals residing in the UAE and those applying from abroad, offering door-to-door support for added convenience.
