Machine Translation + Post Editing

Industry Expertise

Our in-depth domain knowledge enables us to serve a wide range of industries including finance, legal, healthcare, IT, marketing, and education.

Whether it's translating financial reports or localizing e-learning modules, we tailor our solutions to the language and industry-specific nuances that matter.

Quality & Certifications

At Feenix Language, quality is not an option – it's a promise. We are ISO 9001:2015 certified, a recognition of our consistent service standards and structured workflows. Our multilingual professionals follow strict QA processes including review and proofreading to ensure content clarity, accuracy, and tone. Our 5-star feedback on platforms like ProZ's Blue Board reflects our commitment to client satisfaction.

Our process begins with a detailed consultation to understand your needs. We then assign subject-matter linguists who translate and localize your content using CAT tools and glossaries for consistency. This is followed by a multi-layered quality assurance process. Finally, your content is delivered on time, with ongoing support available for feedback and updates

With clients across five continents and support in over 150 languages, we operate as a truly global language solutions provider. Our culturally diverse and geographically spread team enables us to work around the clock and deliver projects no matter the time zone. Whether you're launching in Europe, Asia, or the Americas – Feenix Language ensures your message speaks clearly to every audience

Thank You
